

It's been so long since we've written to each other! I've finally found time to sit down and reflect. So much has happened recently and I wanted to share some of my most recent achievements with you:

Tracy Chen [traucy.com](http://traucy.com)

Senior Product Designer at Daybreak

[tracy99c@gmail.com](mailto:tracy99c@gmail.com)

Experience  Daybreak Senior Product Designer (2020 — Present)

Leading the product team at Daybreak. Designing delightful, functional digital experiences, design systems, and prototypes for large-scale projects.

 Character AI Client of Daybreak

Articulated and designed product concepts for the future of Character.AI. Led product designers through sprints and held co-design workshops with the client.

 Superpower Client of Daybreak

Crafted a product for doctors and patients to manage their health. Led and facilitated design sprints and jam sessions with product designers and the client.

More clients  Capital.xyz  Workmade  Impel AI  WOMBO Dream
